

| N° | CODE     | DESCRIPTION                                          | SERIAL<br>NUMBER START<br>OF SERIES |
|----|----------|------------------------------------------------------|-------------------------------------|
| -  | 3.013121 | Control panel - complete                             | 2238341                             |
| -  | 3.013125 | Set of 3-way spares                                  |                                     |
| -  | 3.013298 | Sealed chamber cover assembly                        |                                     |
| -  | 3.013494 | G20 gas conversion kit                               |                                     |
| -  | 3.013495 | LPG gas conversion kit                               |                                     |
| -  | 3.015405 | 'Blister' components connection assembly             |                                     |
| -  | 3.014899 | Control panel - complete                             |                                     |
| -  | 3.015429 | Control panel - complete                             |                                     |
| -  | 3.014899 | Control panel - complete                             |                                     |
| -  | 3.015856 | Control panel - complete                             |                                     |
| 1  | 1.014054 | Knob, main switch                                    | 2568060                             |
| 2  | 1.010365 | LED lens                                             | 2152428                             |
| 3  | 1.6947   | 17.17x1.78 O-ring, nitrile, 70 sh                    |                                     |
| 4  | 1.015582 | Water- temperature gauge                             |                                     |
| 5  | 1.013751 | Hole plug for control panel                          |                                     |
| 6  | 1.2337   | 3.9x25 self-tapping screw, crosshead                 |                                     |
| 7  | 1.1378   | Twin press-stud, 11x16x3.5                           |                                     |
| 8  | 1.013466 | Grommet for control panel                            |                                     |
| 9  | 1.014621 | Bezel, control panel                                 |                                     |
| 10 | 1.012874 | "Immergas" nameplate, plastic                        |                                     |
| 11 | 1.018912 | Ignition card with integrated control                |                                     |
| 12 | 1.013408 | Back cover, control panel                            | 2181507                             |
| 13 | 1.4072   | Clip with clamp screw hole                           |                                     |
| 14 | 1.4139   | 3.9x13 self-tapping screw, crosshead                 |                                     |
| 15 | 1.011968 | Plug, access hole                                    |                                     |
| 16 | 1.7967   | 3.5x19 self-tapping screw, crosshead                 |                                     |
| 17 | 1.7908   | Steab cable clamp, black                             |                                     |
| 18 | 1.013340 | Trimmer adjustment knob                              |                                     |
| 19 | 1.2265   | 3.2x9.5 self-tapping screw, "Rapid fix"              |                                     |
| 20 | 1.013219 | 4.2x6.5 self-tapping screw, crosshead, cone point    |                                     |
| 21 | 1.4557   | 4.2x9.5 self-tapping screw, crosshead, with shoulder |                                     |
| 22 | 2.011195 | Lx bracket, mini-frame                               | 2568060                             |
| 22 | 2.011196 | Rx bracket, mini-frame                               |                                     |
| 23 | 2.010989 | Bracket for control panel                            |                                     |
| 26 | 3.013257 | Casing framework assembly                            |                                     |
| 27 | 1.015046 | M6x20 screw, countersunk head                        |                                     |
| 28 | 1.013436 | Gasket, pocket flange                                |                                     |
| 29 | 1.2405   | Lx ignitor                                           |                                     |
| 30 | 1.2408   | Rx ignitor                                           |                                     |
| 31 | 1.010645 | Ignitor sensor                                       |                                     |
| 32 | 1.0152   | 3.9x9.5 self-tapping screw, crosshead                |                                     |
| 33 | 3.013365 | Cover, sealed chamber                                | 2568060                             |
| 36 | 1.017984 | Ceramic fibre panel, side                            |                                     |
| 37 | 1.017684 | Fan                                                  |                                     |
| 39 | 2.011198 | Front cover, flue outlet                             |                                     |
| 41 | 1.014373 | "Y" hose union                                       |                                     |
| 42 | 1.2363   | 4x8 silicone tube                                    |                                     |
| 43 | 1.2363   | 4x8 silicone tube                                    |                                     |
| 44 | 1.2363   | 4x8 silicone tube                                    |                                     |
| 45 | 2.011601 | Angle bracket, pressure switch                       |                                     |
| 46 | 1.8396   | Pressure switch                                      |                                     |
| 47 | 1.010500 | Spring pipe clamp for silicone pipe                  | 2238341                             |
| 49 | 3.A0184  | Set of 1/4" seals                                    |                                     |
| 50 | 1.015073 | Fitting, pressure takeoff pipe                       |                                     |
| 51 | 1.011749 | M8x0.5 nut, pressure takeoff                         |                                     |
| 52 | 2.011064 | Deflector flue outlet                                |                                     |
| 53 | 2.011408 | Front wall, combustion chamber                       |                                     |
| 54 | 1.017602 | Ceramic fibre panel, front                           |                                     |
| 55 | 1.015709 | 86-fin exchanger                                     |                                     |
| 55 | 1.015791 | 86-fin exchanger                                     |                                     |
| 56 | 1.017623 | Burner, 12 ramps                                     |                                     |
| 59 | 1.2363   | 4x8 silicone tube                                    | 2350305                             |
| 62 | 1.013186 | M3.5x16 screw                                        |                                     |
| 62 | 1.010265 | M3x25 screw for gas valve connector                  |                                     |
| 62 | 1.013186 | M3.5x16 screw                                        |                                     |
| 63 | 1.013164 | Gas valve connector                                  |                                     |
| 63 | 3.010173 | Additional gas valve connection                      |                                     |
| 63 | 1.013164 | Gas valve connector                                  |                                     |

|     |          |                                                      |         |
|-----|----------|------------------------------------------------------|---------|
